Social Care Networks: Regional Social Care Ecosystem

- Social care network (SCN)
- Healthcare ecosystem partners¹
- Other ecosystem partners¹

Impact of future state system on Medicaid members

-  **Scaled delivery** of social care services and **improved access** for Medicaid members
-  **Reliable and timely referral** of members to social care services
-  **Seamless tracking** of members needs to streamline and close loop on referrals to social care services
-  **Improved and increased collaboration between social care service providers and other partners in regional ecosystem** (e.g., healthcare providers, care management providers, MCOs, others)

1. Where entities above are not part of SCNs

Long Island's Social Care Network will collectively:

All Long Island Medicaid members:

- Standardized HRSN screening
- Referral and navigation to traditional social services (i.e., SNAP, WIC, childcare services)

Subset of Medicaid members based on NYS determined eligibility:

- Enhanced health-related nutrition services
- Enhanced health-related housing supports
- Enhanced case management
- Transportation to and from these supports

HRSN Enhanced Service: Eligible Populations

Medicaid high utilizers, including those who meet the federal definition of homeless

People with chronic conditions

People enrolled in a NYS Health Home

Individuals with SUD or serious mental illness (SMI)

Individuals with intellectual and/or developmental disabilities (I/DD)

Post-release criminal justice population with serious chronic conditions

Pregnant people, up to 12 months postpartum

Children's populations:

- Under 6 years of age
- Under 18 years of age with a chronic condition
- Justice-involved youth
- In foster care or kinship care

Enhanced Nutrition Services

- Nutrition counseling and classes
- Cooking supplies
- Medically tailored meals
- Fruit and vegetable prescription
- Pantry stocking

Enhanced Health-Related Housing Supports

- Rent/Utility
- Navigation.
- Community transitional services.
- Pre-tenancy and tenancy sustaining services.
- Home remediation and education.
- Home accessibility and safety modifications.
- Medical respite.

Enhanced Case Management

- Outreach, referral management, and education including linkages to other state and federal benefit programs, application assistance and benefit program application.
- Connection to clinical case management.
- Connection to employment, education, childcare, and interpersonal violence resources.
- Follow-up after services and linkages.

Social Care Network Infrastructure Funding
